ACE High School's Mission and Philosophy

ACE High School's Mission teaches skills for today's construction & engineering industry through integrated academics with a focus on employability skills which prepare students to graduate and be productive citizens. The school meets all the requirements established by the State of Nevada and standards set forth by the Washoe County School District. ACE is NOT designated as an "At-Risk" school and is not designed for credit recovery. ACE Students assume roles of high responsibility and leadership in all career and academic programs.

ACE High School Permissions and Disclosures:

A student's acceptance and enrollment to ACE High School is conditional on the verification and accuracy of the application and any supporting documentation. Omissions and false information are grounds to withdraw any acceptance and enrollment of a student by the administration of ACE High School. A student's enrollment is contingent upon completion of promotional requirements, ability to graduate within the legal timeframe, verification of records, required immunizations, ability to fully implement accommodations as required for special needs students, and program/class schedule availability. In the effort to complete the application, parents/guardians grant permission for ACE High School staff to review and/or request additional student records from previous schools under the provision of FERPA to determine admission eligibility.
